
Membership Guidelines

Principles of membership

Our Members are our Parent to Parent (P2P) Community Ambassadors.

Everything we do in the organisation is to provide members with the content to speak well of the organisation throughout the communities in which they live and interact.

We are required to advise you that we hold public liability insurance in accordance with the requirements of being an Incorporated Association.

To become a member, applications must be received and accepted by the P2P Management Committee.

We ask our members to conduct themselves in accordance with the Trademark Behaviours set out below.
