

Tell us what you think about...

Disability Employment Services

Disability Employment Services is also called DES.

DES is meant to help people with disabilities find and keep jobs.

Australian Government

The government wants to change the way DES works.

You can read more about it [here](#).

Inclusion Australia is talking to people with intellectual disability, their families and supporters.

We are going to tell the government what you think about DES.

Have your say!

IA will be running Zoom focus groups for **people with an intellectual disability:**
