

The New Participant Platform

We are excited to announce that we are introducing a new Participant Platform. The Participant Platform is available through our software called Planability.

On this new platform you can:

- View your NDIS budget
- View previous monthly statements
- Look at your invoices
- Approve or reject invoices
- Track your spending
- View all participant details in one account (if you are the nominee for more than one person)

You can easily log in on any device including your computer, laptop, tablet or smartphone using this link:

<https://app.plan-ability.com.au/>

Tip: Click on the  icon in your browser search bar to favourite or bookmark this link.

How can I get access to the Platform?

If you would like access to this Participant Platform please reply to this email or contact P2P when you are ready.

We will send you an email with your username and instructions on how to log in.

Where to go for more help?

Click on the topic below to view the Planability Participant Platform help page or contact P2P and we will help you.
