

Your Service, Your Rights

Workshop

- Rights and Services: What are rights and why are they important for everyone? How do you know if you're getting your rights met by your service?
- NDIS Commission – Code of Conduct and Complaints: What is the NDIS Commission? What do workers need to do to make sure you get your rights, and how can you make a complaint to the NDIS Commission?
- Speaking Up and Supports: Why it is important to speak up; how to get support; using an advocate.
- Being Involved: what are the things your service can do to include you in making sure your service is safe and good quality?
